Discover a place to create, connect,
and escape the noise of everyday life.

Friday 21st November, from 6.30pm
Includes a Two Course Meal: £75.00
And take home your uniquely designed terrarium

Description

Step into the world of miniature gardens and discover the art of creating your very own terrarium.

In this hands-on workshop, we'll guide you through each stage of the process – from understanding the basics to mastering simple design techniques.

You'll leave with both new skills and a beautiful living creation to take home.

We'll begin with a short introduction to terrariums before getting stuck in: mixing your own soil blend, preparing your plants, and learning how to design and style your container for the best results.

We'll share tips, tricks and the purpose behind each step, so you'll have the confidence to care for your terrarium long after the workshop ends.

What you will learn

- The basics and benefits of terrariums
- How to mix the perfect soil blend
- Preparing and planting techniques
- Planning and layout tips
- Simple but effective design ideas
- How to care for and maintain your terrarium

All plants, tools, and materials are provided – you just bring your creativity (and maybe a smile!)

Bookings Only — Reserve Your Table Now (£45 deposit per person)
